

## Keeping you updated on the progress of ICoMusic

We are currently waiting for a meeting with the City & County on getting a variance for the new church we purchased, so it can be used by the ICoMusic Foundation Corporation. The meeting is on March 28, 2024.

We have purchased a 16' X 40' storage building for the property on Acorn in back of the church. We to wait until we see how the variance goes to have the foundation made and the building delivered. We needed this to stop things like our ridding mover, push mower, small trailer, extra pews and chairs, and general tools for ICoMF.

\*The building was paid for by a very generous donation by A&K Global Enterprises, Inc. (Kenny G Saxophones). The foundation will be paid for by a generous donation from Rick Izumi our Vice-President & Executive Board member.

Rheuben Allen & Amy Drum pay for the Day-to-Day running expenses of ICoMusic.

Rick is working on doing educational videos of his extensive collection of unusual woodwinds including a 6 foot high Contra Bass saxophone. Also, he will be doing educational videos for the Ukulele.

This is the current business and we hope to continue
