

Subject: The “Concert Studio” uses.

1. The primary use of the “Concert Studio” after April 25, 2024, if we get the variance from the city, will be to provide a place for students to give recitals and concerts at no cost to them. *We will start slowly having the recitals and concerts on Saturday afternoons only. Exceptions can be made after discussions, planing and board member approval.

*We will also make a video recording of the recitals and concerts for education purposes. Any and all rights to the video recordings will belong to the ICoMusic Foundation Corporation and can only be used with written permission form the ICoMusic Foundation Corporation.

2. Secondary use will be to produce educational videos as part of our education program.

These videos will include: Master Classes, Music Videos, promotional videos for ICoMusic and any educational needs that might come up where a video is needed. Again, any and all rights will belong to the ICoMusic Foundation Corporation.

3. Allow local music teachers a place where they can have their students give recitals at no cost to them and/or the students. Video recording will be optional and arrangements made prior to the recital.

Rheuben A. Allen - President - 1600 W 15th St. Muncie, IN 47302-2924 (765) 273-7030
